Variations +/- 2cm. The sizing on the chart is the actual measurement of the garment. When choosing your garment size, find a similar garment you currently have in a size that you find comfortable then measure the garment across the chest and refer to this size chart. Just choose a size in the closest measurement. It is recommended you move to the higher size measurement if you are unsure of what size to order. Garments cannot be returned once ordered as they are custom made.

Decoration, colours and positioning displayed on proofs is not exact and variations in final product may occur.
